TV doc Ranj brands Hunt 'disgusting'

TV doctor Dr Ranj Singh agrees there is a "humanitarian crisis" in the NHS and said it was "disgusting" that Jeremy Hunt took his children to A&E because he did not want to wait for a GP.

The A&E children's doctor and medic on ITV's *This Morning* was asked by host Phillip Schofield if he agreed with the term "humanitarian crisis" used by the Red Cross last week to describe problems in the NHS and social care.

Dr Singh (*above*) said: "I have to say yes. Things are so bad. If you have a situation where people are in pain and waiting and the service is struggling to meet their needs, that is a crisis."

Dr Singh said he believed Health Secretary Mr Hunt's comments on the state of the NHS were "so out of line" with what was happening on the ground.

"We are really, really struggling," he said.

38 dead after Taliban strike

THE death toll from twin bombings in the Afghan capital Kabul has risen to 38, with civilians and military personnel among those killed.

Mohibullah Zeer, of the Public Health Ministry, said another 72 people were injured in the attack, which took place near government offices.

Interior Ministry spokesman Sediq Sediqqi said a suicide bomber struck first, followed by a car bomb, and four police officers were among those killed.

The Taliban was behind the attack.

TEEN GIRL HELD AS KATIE, 7, IS FOUND DYING IN FIELD

SEALED: Police cordoned off the area

THE distraught mother of a seven-year-old girl who died after she was found seriously injured on a playing field was seen crying on her knees in the street, pleading for help.

A 15-year-old girl was arrested after police were called to an address in the Woodthorpe area of York and found the child – described in tributes from family members as "darling princess Katie" – down a track with life-threatening injuries.

By AMY MURPHY
news@sundaysport.co.uk

She was taken to hospital but died a short time later, North Yorkshire Police said.

Witnesses said the mother of the little girl arrived at the scene on Monday afternoon, crying: "No, no, she's my little girl."

Shouting

Rob McCartney, 50, who lives in one of the homes next to the track, said he saw the young girl lying in the field.

He said the child's mother was "distraught", shouting for help and saying her daughter had been killed.

He said: "The mother came running up the street shouting for help and saying 'Get an ambulance'.

"I put my shoes on, went up the side of the house. I could see a young girl lying in the field, police were already attending to her."

Mr McCartney added: "(The mother) was back and forth, obviously very, very distraught, and who I think was the father turned up.

"I spoke to her later, asked if she was OK and she said 'No, no, she's my little girl'.

"She said 'I think she's killed her'.

"They were obviously very distraught. Didn't want to talk to people, the two of them took themselves off, were consoling each other. I didn't recognise them."

A man and a woman, believed to be the young girl's grandparents, arrived in the quiet residential street and left a bunch of flowers by the cordon.

The card read, "Night, night my darling princess Katie, love Nana and Grandad."

A woman living in the house by the track said: "The mother was on her knees in the middle of the road, crying and saying things.

"It was quite distressing."

The woman, who did not want to be named, said the family did not live in the street of six detached houses by the track.

Difficult

She said: "We've all been here a long time, there's no children in this street."

The woman said children often played in the field in the summer.

Alness Drive is a quiet street lined with red-brick homes, lying to the south-east of the city centre.

On Tuesday morning, the grass track leading from the cul-de-sac to a playing field was cordoned off.

A white tent could be seen on the playing field beyond the cordon.

Detective Chief Inspector Dave Ellis said officers were called to Alness Drive shortly after 4.30pm.

He said: "Officers attended and, upon visiting a scene nearby, they found a seven-year-old girl with life-threatening injuries.

"An ambulance attended and the girl was taken to York District Hospital, where she sadly died a short time later."

The York City and East neighbourhood policing team tweeted: "Difficult late shift for all York staff with tragic death of a 7 year old. Thoughts go out to family members."

The teenager was last night still in custody and being questioned by officers.

Police vehicles were seen at a semi-detached house about half a mile from the scene.

Labour Jezza's maximum pay plan 'idiotic'

JEREMY Corbyn has been branded "totally idiotic" by a former top economic advisor after he called for a maximum pay cap for high earners.

The Labour leader said the measure was needed to counter the soaring levels of income inequality between those at the top and the rest of society.

But his comments were dismissed as "totally unworkable" by economists.

His intervention also caught colleagues by surprise, with one shadow cabinet minister saying he had been expressing a "personal view".

He told the BBC Radio 4 *Today* show: "I would to like to see a maximum earnings limit, quite honestly. I think that would be a fairer thing to do."

Mr Corbyn said the salaries paid to some high-earning company executives and top footballers were "ridiculous".

But a former advisor to the Labour leader, Danny Blanchflower, wrote on Twitter: "If I was still an advisor I would have told him it's a totally idiotic, unworkable idea."

M1 death: Cops' 'animal' theory

MOTORISTS who struck a man's body on an unlit stretch of the M1 may have thought they had hit an animal, police say.

The unidentified victim suffered "catastrophic" injuries after being run over by several vehicles on a 50mph stretch of the M1 near Daventry, Northants, at 2am yesterday.

Speaking after the northbound M1 was closed between junctions 16 and 17, Det Sgt Tony Hopkins said: "Unfortunately at the moment we cannot confirm the identity of the male as we still try to establish next-of-kin.

"It may be a fail-to-stop collision, or it may be that a motorist believed they hit an animal.

"It may be an innocent accident or something more serious."

CHARLOTTE SNUBS 'TYRANT' TRUMP

SINGERS Charlotte Church and Rebecca Ferguson have both said they turned down invitations to perform at Donald Trump's inauguration.

Former *X Factor* contestant Ferguson previously said she would accept the offer if she could perform protest song Strange Fruit, however she has now confirmed she will not be taking part in the Washington DC ceremony.

Church has also claimed she has been approached by the president-elect's team.

Ferguson said: "There are many grey areas about the offer for me to perform that I'm unable to share right now, but I will not be singing."

Welsh singer Church said she was also approached to perform at the January 20 ceremony and tweeted her reply, writing: "@realDonaldTrump Your staff have asked me to sing at your inauguration, a simple Internet search would show I think you're a tyrant. Bye."

She included a series of poo emojis in her tweet.

BONKERS: Olivia (*left*) and Alex (*right*) plan to marry next year

LOVE Island lovebirds Alex Bowen and Olivia Buckland have revealed they still BONK all the time.

The pair met last summer on the most recent series of the ITV2 dating show and earned the title of the couple who had the most sex in the villa.

Rampant

With more than 30 bonks under their belts, they beat off the likes of Nathan Massey and Cara De La Hoyde – who won the reality TV show – to take the crown as the most rampant contestants.

And now, six months after leaving *Love Island*, the couple insist their love life is just as steamy as it was on screen.

Alex, 25, said: "Of course! It's still very frequent!"

And Olivia, 23, added: "Have you seen Alex? How could I say 'no'?!"

The reality duo continued to date once the cameras stopped rolling and Alex even got down on one knee and asked Olivia to marry him in New York last month.

Despite being together for just six months they are already planning the first ever *Love Island* wedding and want to tie the knot in September next year.

Man held over bookies stand-off

A MAN has been charged with false imprisonment and possessing a firearm following a three-hour stand-off with cops at a bookmakers.

Police were called to a Coral shop in Jarrow, south Tyneside, on Sunday evening following a report of a man in possession of a weapon.

Four people were allegedly taken hostage inside the shop.

Three were let go, but officers continued to negotiate for the release of the fourth.

Alistair Gallow, 39, of Jarrow, was charged with nine offences, including false imprisonment and possession of a firearm with intent to cause fear or violence, at South Tyneside Magistrates' Court.

The case was sent on to Newcastle Crown Court and Gallow was remanded into custody.

MILLIONAIRE AUTHOR DRUGGED, KILLED & BURIED IN CESSPIT BY LOVER

ENGAGED: Writer Helen Bailey with fiance Ian Stewart and (*right*) the home they shared

A TOP children's author was plied with sedatives and "probably suffocated" by her partner before being dumped in a cesspit below her home, a court has been told.

Helen Bailey, 51, was found deep in the grounds of her £1.5 million property in Royston, Herts, in July 2016 – three months after she was reported missing.

Her fiance, Ian Stewart, 56, of Royston, is accused of "secretly" giving her a sleeping drug over a period of time and in increasing amounts.

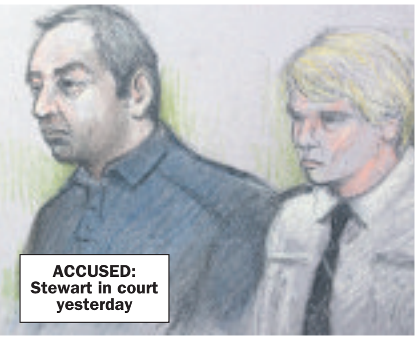
Then on April 11, it is alleged he killed her while she was in a "stupefied" state and hid her remains in the waste tank below the garage at the home they shared – parking a car over the access point.

Executed

Opening Stewart's trial at St Albans Crown Court, prosecutor Stuart Trimmer QC said: "This was a long-planned, deliberate killing – a cynically executed murder that had money as its driving motive."

On the day she is said to have been murdered, Ms Bailey's bank account was accessed, with a standing order to the defendant bolstered from £600 to £4,000, the court heard.

Stewart denied he made the transaction,



ACCUSED: Stewart in court yesterday

By JACK HARDY
news@sundaysport.co.uk

Stewart was also said to be in line for a "substantial financial advantage" of around £1.8m plus the value of the two properties she owned, in the event of her death.

Ms Bailey was said to be "very successful" and worth around £4m, earning around £5,000 each month in royalties from her books.

Mr Trimmer said: "The couple had made financial arrangements that meant, in the event of the death of Helen Bailey before the wedding, Ian Stewart would obtain the house and a very substantial financial advantage."

The victim was said to have been concerned leading up to her death that she was feeling unnaturally sleepy.

Mr Trimmer added: "The defendant secretly administered a sleeping drug to her in increasing amounts. The crown case is that by early afternoon on April 11, the only other person in that house, Ian Stewart, killed her, probably by suffocation while she was sedated by the drugs he had administered for some time."

Fraud

It is alleged that a "charade" followed: the defendant sent texts to his partner's phone, despite allegedly having possession of it himself, and supported a media campaign to trace her.

Stewart denies all charges of murder, three counts of perverting the course of justice, preventing a lawful burial and fraud.

The case continues.

"If I said to my husband tomorrow 'We're moving to LA', he'd pack up his stuff in a flash and be out the door."

KIM Kardashian and her youngest sister, Kylie Jenner, are going to war.

Kim, 36, is reportedly furious that her 19-year-old half-sister has recently grabbed the limelight and has even branded Kylie a 'stalker'.

After Kim was robbed at gunpoint in Paris in October, she has been noticeably absent from social media.

But Kylie has been more visible than ever – posting daily pictures, videos and taking part in steamy photoshoots with her rapper beau Tyga, 27.

But now Kim is ready to reclaim her throne.

Stalker

A source close to the Kardashian clan says tensions between the pair are at an all-time high.

A source claimed: "Kim's very snarky with Kylie at the moment. She's calling her a stalker and a clone.

"She feels like Kylie's copied her hair, the bun – everything – and is a 'cheap version' of her.

"But Kim's ready to claim her throne back. She's ready to compete."

With her ever-growing social media following and expanding make-up range, Kylie isn't going down without a fight.

The family insider added: "Kylie says Kim's just jealous. Kylie knows she's the new sex kitten of the family."

So watch out for loads of sexy selfies, belfies and attention-grabbing outfits – we can't wait!

Wheelchair Frank 'left on empty jet'

BBC security correspondent Frank Gardner has called for airlines and airports to be fined for failing disabled passengers after he was left "stranded" after a flight.

The 55-year-old, who has to use a wheelchair after being shot by terrorists in 2004, said he had to wait around half an hour for assistance to get off a plane at Gatwick Airport on Sunday.

The journalist (*above*) said it is the latest in a string of bad experiences.

He tweeted: "Once more stuck on empty plane at Gatwick Airport after all passengers off and heading home as special assistance have failed to turn up."

After the ordeal he said it will take continued press coverage or fines to change the status quo.

He said: "I have been travelling with a wheelchair for 12 years and seen no improvement.

"Nothing will change unless there is perpetual bad publicity, or there are financial penalties."

"It's such a fun show and it's two of my favourite things to do, chat to randomers and a love story."

If that wasn't enough, Channel 4 bosses have also signed her up for a new project with comedian Alan Carr and the pair are filming a pilot with the hopes of it becoming a full series.

She captured the nation's hearts after her appearance in *I'm A Celebrity...Get Me Out Of Here*! and the *Gogglebox* star is set for an even better 2017.

After being crowned Queen of the Jungle her quick wit and real-life quips have seen her small presenting jobs impress top bosses and she's set for even more airtime this year.

Woman wins over 8th baby

A WOMAN who has had seven children taken away from her has won a court fight over an eighth.

Council social workers said the woman could not meet the needs of her newest baby – a girl born in early 2016.

But a judge concluded that evidence did not justify separating the child from her mother – although he said social services staff should supervise her care.

In a written ruling following a private family hearing in Wrexham, Clwyd, Judge Gareth Jones said neither the woman, who is in her late 30s, nor her daughter could be identified.

He heard the woman had "massive emotional needs" as a result of childhood abuse but had moved to Wales from another part of Britain, for a "fresh start".

Gemma HILES

By BECCA STUBBS becca@sundaysport.co.uk

FANCY a night out on the tiles with gorgeous Gemma Hiles?

Well, you will when you hear she's partial to FLASHING her bits while out clubbing.

The 28-year-old blonde bombshell from Preston, Lancs, loves a good night out with her friends but her raucous evenings often turn RAUNCHY.

Gemma's had three boob jobs – boosting her 32Bs to a sweater-stretching 32E, and they often make an appearance when she's out on the town.

The busty babe told the *Midweek Sport*: "I love wearing skimpy clothes on a night out. And I've accidentally slipped out and flashed my boobs in clubs before!

"It happens literally every time – and I always get a big cheer from the lads!

"But it's OK, because I love all the attention. And it's a great way to get free drinks, too!

"The extra attention I get with bigger boobs is great, and I definitely think larger breasts are good in the bedroom.

SEX PARTIES ARE LIKE ZOOS!

(Not sure which ones you're going to, luv)

By BECCA STUBBS becca@sundaysport.co.uk

ACTRESS Michaela Coel went to a SEX CLUB with her ex-boyfriend... and said it was like a ZOO.

The Bafta-award winning actress visited the sex club with her former partner as he wanted to explore the kinky scene.

Michaela, 29, is the creator of comedy show *Chewing Gum* and won the BAFTA for her acting skills as the show's female lead.

Set on a London council estate, her character Tracey visits a sex club in the new series of the sitcom.

London-born Michaela *(below)* said: "It was just a weird experience for someone like me. It's like being in a weird zoo, it's very odd.

Rude

"I'm massively open-minded to pretty much anything, so I thought I'll go for the experience and because my boyfriend really wanted to – because obviously I'm not doing a very good job!

"If you go to a sex club it's gotta be because you want to have sex with people, and I just want to have sex with my boyfriend.

"So it's hard, we're not together anymore."

Michaela's character in the series overlaps her real life in the new series of the rude sitcom *Chewing Gum*, which returns on Thursday at 10pm on E4.

Coke Christmas truck ban

THE Coca-Cola Christmas truck tour should be banned in Britain, public health experts have urged.

They argue the soft drinks firm's truck – which made 44 stops across the UK giving away cans of the iconic fizzy pop over the recent festive period – promotes the consumption of "unhealthy" sugary drinks to kids.

Robin Ireland from Food Active, a campaign which tackles rising obesity levels, said: "We can celebrate without allowing Coca-Cola to hijack Christmas by bringing false gifts of bad teeth and weight problems to our children."

TOWIE JESS: I NEED A MAN!

(...form an orderly queue, lads)

By JESS GALLEY
jess@sundaysport.co.uk

TOWIE babe Jess Wright has set herself just one New Year's resolution – to find a BLOKE.

The 31-year-old reality TV star admitted she is on the prowl to find a new lover this year as her mum, Carol, is desperate to become a gran.

Mark Wright's big sister previously dated her former *The Only Way is Essex* co-star Ricky Rayment for two years, before the pair split in 2014.

Busty

And with a whole of 2017 ahead of her, busty Jess has set herself the challenge of tracking down her Mr Right before the end of the year.

She said: "I need to find a man in 2017!

"I really need to start actively looking because I've been very lazy with it.

"My mum's getting impatient because she wants grandchildren, so I need to start looking!"

Jess has been linked to Crystal Palace footie star Connor Wickham in the past, as well as *CBB* winner James Hill.

And the *Dance Dance Dance* contestant even tried to find love on Channel 4 show *First Dates* last year, but failed to find a spark with A-list personal trainer Tom.

Emma's lesbian act was hit in Hollywood

POSH totty Emma Parker-Bowles pretended to be LESBIAN while working as a mechanic.

The blonde niece of the Duchess of Cornwall, Camilla Parker-Bowles, worked as the only female mechanic in a garage in Hollywood.

She found herself in the garage after plans to star in her own TV motor show collapsed.

And to avoid male attention while working, Emma *(right)* decided to become 'one of the lads'.

Emma, 42, said: "I pretended to be a lesbian and joined in the lusty leering whenever a large-breasted female walked in."

Former motor journalist Emma left England for a new start after battling alcohol problems in rehab.

Channel 4 bosses have signed her up for the new series of alpine adrenaline show *The Jump*.

I let cows have a suck, says TV Helen

COUNTRYFILE'S Helen Skelton has admitted that she loves letting cows suck her hands.

The 33-year-old presenter (*above*), who grew up on a farm, said the feeling of having your hand sucked by a cow was "hilarious".

The mum-of-one, who is married to rugby player Richie Myler, says she has an "unlikely interest" in cows.

She said: "I grew up on a dairy farm in Cumbria and I used to love putting my hand in their mouths for them to suck it.

"It's hilarious, like being licked by sandpaper in a vice."

The former *Blue Peter* babe, who has been on *Countryfile* since 2008, said she also loved munching on Haribo sweets while drinking red wine.

Asked about a temptation she wished she could resist, she told *Weekend* magazine: "Haribo sweets and red wine – together!

"It may sound like a disgusting combination, but it works for me."

Emily peels off her bikini

STUNNING model Emily Ratajkowski has been unveiled as the new face and body of an Australian swimwear company.

The 25-year-old beauty certainly isn't shy when it comes to flashing the flesh, so it's no surprise swimwear brand Amore + Sorvete signed the babe up.

In the campaign pictures, Emily looks sensational as she models a variety of skimpy bikinis for the promotional shots.

She slowly strips to reveal a black and white patterned two-piece and in one cheeky shot her peachy rear is captured in all its glory.

But she looks even better in this tits-out snap, we reckon!

Woman batters 'no sex' hubby

A HORNY woman beat the shit out of her husband when he refused to have sex with her.

Kerry Lee Pineiro, 61, punched her spouse in the face before twice kneeing him in the groin, say police who arrested the woman for assault.

The arrest report states that boozed-up Pineiro twatted her 60-year-old husband because he refused to "give her a good banging".

After punching him in the eye, Pineiro kneed him in the groin when he sought to keep her from driving away from their home, it's alleged.

Pineiro is also accused of kneeing her spouse in the groin a second time.

When questioned, she said she she wanted to go to jail, though she denied striking her husband.

She must wear an alcohol monitor until her court case.

I COULDN'T HANDLE WESLEY'S CHOPPER!

BIG NEWS: Stacey says Wesley's got a huge Johnson

YANK *X Factor* singer Stacey Francis claims Wesley Snipes has the biggest DICK she's ever seen in a frank discussion on *Celebrity Big Brother*.

By BECCA STUBBS
becca@sundaysport.co.uk

The 47-year-old hasn't held back during her time in the house and her latest stark confession left her fellow housemates stunned.

Stacey turned the air blue when she said actor Wesley, 54, had a massive penis.

She also claimed Wesley's cock was so big she didn't enjoy their sex sessions as it hurt so much.

Stacey said: The first man to break my heart was Wesley Snipes.

"He had the biggest penis I have ever seen in my life, ever. The sex was horrible because he was so big, it would hurt."

Candid

Stacey claimed that Wesley was the "love of her life" in the candid chat and said the couple enjoyed a year-long affair.

They met when Stacey was working as a backup singer for Chaka Khan and the 54-year-old actor was a friend of the star.

It's not the first time in the Channel 5 series that Stacey has opened up about men and sex.

When she was in the Diary Room, she said 35-year-old lothario Calum Best and DJ Brandon Block, 49, had caught her eye.

About Brandon, she said: "He'll be the one who pulls your hair and there's something really sexy about that.

"He gives you the eye where it's like, 'I will f**k the shit out of you'."

MORRISONS showed they have a sense of humour when a customer said he couldn't put his COCK in one of their doughnuts.

By COLIN HURST
news@sundaysport.co.uk

He wrote a message to the shop's Twitter account saying: "Oi. There's no ring in my donuts how I'm I supposed to put these on my willy and get my girlfriend to eat them off now."

Instead of ignoring his cheeky Tweet a customer service team member called Cam wrote back to the bloke, saying: "Improvise."

Burns

But when the user, called Silverfox, did he claimed he ended up in hospital, adding: "I did and now I am in A&E with burns from the onion rings."

Cam chastised the food-loving perv saying: "You didn't wait for them to cool down?"

But Silverfox insisted his partner was far too impatient, writing: "You don't know my mrs she's very demanding."

The exchange ended when Cam told Silverfox to always let everything chill for two minutes.

Meanwhile social media expert Rick Dean reckons the witty exchange could be worth £500,000 in publicity.

He explained: "This may be a lighthearted bit of fun but when big companies' social media sites show they have a sense of humour in can do wonders for sales.

"This latest thread will be in everyone's Twitter feed – and all over the newspapers.

"If you had to buy that sort of publicity it would easily cost half a million quid.

"A lot of companies should take note of this."

Booze & drugs left Tom with zero memory

TABOO star Tom Hardy confessed he can't remember ANYTHING that happened before the age of 25.

The 39-year-old actor said the memories of his early 20s are a total blur because of the excessive amount of DRINK and DRUGS he used to take.

And London-born Tom *(above)* said he was that much of a heavy boozer that he was forced to give up the habit completely.

The dad-of-one, who is married to *Peaky Blinders* co-star Charlotte Riley, said: "Before 25, I don't remember anything.

"I used to be a drinker. A proper one.

"I wasn't playing around.

"I enjoyed it and was very good and became so good that I no longer do it."

The *Legend* star co-created new series *Taboo* alongside his dad, Edward 'Chips' Hardy.

Episode one of the eagerly anticpated brooding Gothic drama was shown on BBC One on Saturday night.

Man films lady cop taking leak

UNLUCKY pervert James McEwen tried to film a lady in a toilet cubicle taking a piss – but she turned out to be an undercover policewoman.

McEwen, 28, had been under surveillance as cops had suspicions he was regularly filming women on the bog.

Police said that after McEwen walked into the women's restroom at the Publix supermarket in Tampa, Florida, and sat in a stall, the detective sat in an adjacent stall.

She reported that she could see McEwen's shadow as he appeared to record her on his mobile.

She arrested McEwen on a charge of video voyeurism, he admitted that he had taken video of the detective without her permission, the police reported.

McEwen was released from jail on bail, sheriff's officials said.

Davina struts her stuff in buff at home

TELLY babe Davina McCall is so body confident that she struts around in the BUFF.

The 49-year-old presenter admitted she regularly strips off behind closed doors and wanders around the house in her birthday suit.

Davina (*above*) said: "I strut around naked all the time!"

The mum-of-three is famous for her incredible abs and released her latest workout DVD this month.

Davina's *30 Day Fat Burn* is her 13th fitness DVD, and the former *Big Brother* host has also released three best-selling diet books.

And she previously revealed just how confident she is in her own skin by admitting to posing starkers for a photoshoot in the past.

She said: "I've posed naked before, but not for money.

"I've had two prints done, but I'm never going to put them up because my children would die of embarrassment."

Slane Sharon's bed up for sale

A BED frame from one of Charles Manson's famous murder victims is up for sale at a grisly auction.

The wooden frame is from actress Sharon Tate's home where Manson's followers brutally slew five people.

Coffee business heiress Abigail Folger lived with the actress at her home and slept in the bed, which is up for auction next month.

She was lying in it moments before she was chased out of her room at knifepoint and stabbed 28 times in 1969.

Ole Hound Auction House are expecting the bed frame to fetch bids of at least £10,000 as blood splatter on it can be seen under black light.

However, its price could rise significantly should Manson – currently in jail serving nine life sentences – die before the item hits the auction block on February 10th.

MAN SHOT WIFE FOR EATING HIS CHEESE TOASTIE

CHARGED: Daniel attacked his wife Lori (below)

A GUN nutter who sparked a four-hour stand-off with armed police after his wife took a bite out of his CHEESE TOASTIE, is facing murder charges.

Police were called after Daniel Blackwell, 55 – who is not legally allowed to own firearms because of prior convictions – fired a shot at his missus through the kitchen floor.

By JESS GALLEY
jess@sundaysport.co.uk

Officers arrived at the family home, in Baltimore, Maryland, after being called to a 'domestic incident'.

Terrified

Blackwell's terrified wife Lori, 54, fled the property with three teens and told cops he had fired four shots at her.

He barricaded himself inside the house, leading to a lengthy stand-off with armed officers before a police negotiator was brought in to convince Blackwell to surrender peacefully.

Cpl Shawn Vinson said: "Apparently, the man had made a grilled cheese sandwich and either the wife or the daughter – one of the females in the house – took a bite of it.

"That enraged him to the point that he fired shots in the house."

No-one was harmed in the dispute and Blackwell was taken to hospital for psychological evaluation.

He has since been charged with attempted first and second degree murder, first and second degree assault, reckless endangerment and several firearms violations.

A total of 15 guns, four of which were loaded, were recovered from the house – including a 'lever-action long gun' which was stashed just inside the front door.

Cara BRETT

By BECCA STUBBS

becca@sundaysport.co.uk

KINKY Cara Brett says she wants to score with a sexy professional footballer.

And her ultimate sex fantasy is to give the lucky fella a post-match BLOWJOB.

The 26-year-old blonde beauty revealed she'd love to spy on a team of top flight soccer stars while they're getting changed in the dressing room.

Cara, from north London, who boasts 32DD boobs, would then pick her favourite and treat him to some oral fun right there in the changing room.

Naked

She said: "Sex in a public place is definitely top of my fantasy list.

"I once shagged a really fit guy in a changing room.

"But I would love to sneak into the back rooms at a Premier League football club and spy on all the naked men there.

"Then I could choose the fittest one and suck him off!"

MAN PUT £2K OF HEROIN UP HIS BUM

GUILTY: Tyrone Thomas

By COLIN HURST
news@sundaysport.co.uk

A DRUG dealer stuffed a £2,000 package of heroin and crack cocaine up his bum when he was being strip searched by police.

Tyrone Thomas, 30, then clenched his buttocks so tightly it could not be retrieved.

He was kept under close watch until nature took its course the next day when the package re-appeared as he had to use the toilet.

Cops found 63 wraps of crack cocaine and 36 wraps of heroin inside the package.

Thomas, of Walthamstow, east London, admitted possessing the drugs with intent to supply in Gloucester on October 18 last year.

Smell

At Gloucester Crown Court he was jailed for 30 months.

Police arrested Thomas when they stopped his hired car and could smell cannabis on him. He was found to be over the drug limit for driving.

Cannabis was found in his possession so cops told him he was going to be strip searched.

After finally seizing the drugs package police bailed Thomas but on November 28 he was seen driving a hire car in Stroud, Glocs, with Edi Dos Santos, 22, in the passenger seat.

They were arrested and taken to a police station. When being searched, Dos Santos became agitated and a large cling film wrap fell from his trousers.

In it police found 47 wraps of heroin and 45 wraps of crack cocaine together worth £1,840.

Thomas was banned from driving for six months for the cannabis over the limit offence.

Dos Santos, of Stockwell, south London, admitted having heroin and cocaine with intent to supply and was jailed for 29 months.

Greens bid for free sex

THE Government should PAY for lonely people to have sex with prostitutes, says the Green Party.

Its spokeswoman on care policy, Elisabeth Scharfenberg, said authorities in Germany should be "financing sexual assistance."

She says lonely old people with no means of meeting potential partners and insufficient cash should have their boning needs met by the state.

Ministers said sex on prescription was not on the cards.

‘The Werewolf’ slaughter toll climbs to 61

A SERIAL killer nicknamed ‘The Werewolf’, who murdered 22 women in a chilling campaign of terror, could be responsible for DOZENS more deaths.

Former cop Mikhail Popkov sliced the head off one of his victims and carved the heart out of another during a twisted series of murders in Russia.

The 50-year-old beast *(above)* was jailed for life earlier this year for the killings.

But 39 additional murder cases are being investigated.

The married dad-of-one is co-operating with police amid new disclosures that his reign of terror was sparked by suspicions that his wife had cheated on him.

Cruel Popkov gave lifts in his police cars to many of his victims, who he then murdered with axes, knives or screwdrivers.

He brutally raped most of the women he killed, while claiming he wanted to “cleanse” the streets of his city of Angarsk of prostitutes, his earlier court hearing was told.

Fact me!

MALE coin spiders only have sex once. After mating, they chew off their own genitals.

Car crash girl’s close shave!

HAIRY Megan Barnes crashed her car because she was shaving her FANNY while driving!

The 37-year-old smashed into the back of a 4x4 while she was on her way to visit her fella, although her ex-husband was in the car with her.

She told cops she was trimming her bikini area so she could be ready for sex with her new lover.

Florida Police officer Gary Dunick said: “She said she was meeting her boyfriend in Key West and wanted to be ready for the visit.”

Dunick reported that the accident happened when she asked her ex, Charles Judy, to hold the wheel while she tended to grooming her bits.

Barnes has been charged with driving with a revoked licence, reckless driving, leaving the scene of an accident with injuries and driving with no insurance.

WORK A DAY IN HAND!

W*nk breaks ‘would improve productivity’

IT’S OFFICIAL! The best way to improve staff productivity is to let them BASH ONE OUT at work.

According to a new article, allowing your employees to have a quick wank can lead to a boost in output and creativity in the office.

Much like paid holidays, flexible working hours and bonus packages, experts believe masturbating in the office loos is a beneficial perk for workers.

By letting members of staff nip to the toilets to pleasure themselves on ‘masturbation breaks’, bosses can help reduce stress and make the office a more pleasant working environment.

And it’s not just horny blokes who reckons this would be beneficial – psychology boffins have backed up the claims.

Tension

Mark Sergeant, from Nottingham Trent University, said that a masturbation break would be ‘very effective at work’ and described it as a ‘great way to relieve tension and stress.’

He also thinks that masturbation breaks could be a great form of self-reward – giving workers something to look forward to as a reward for getting everything on their ‘to do’ list ticked off.

By JESS GALLEY
jess@sundaysport.co.uk

Psychologist Dr Cliff Arnall said: “‘I would expect a masturbation policy to result in more focus, less aggression, higher productivity, and more smiling.

“Certainly taking a masturbation break for boredom or an escape would increase work focus.”

And while this might seem a bit rude, more than 40 per cent of workers in New York confessed that they already pull the pud during office hours!

In a survey carried out by Guyfi almost half of men in the Big Apple said they found a wank at work was the perfect way to destress.

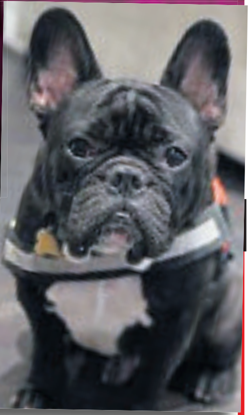
ANYTHING with Tom Hardy in is alright by me, but I was really impressed by his new show *Taboo*, which started on BBC One on Saturday. The show is really dark and mysterious and I already can't wait to watch the next episode. Loads of people were complaining on Twitter about the cast mumbling, but I didn't notice, to be honest. Maybe they need to stop whinging and check what volume their TV's on!

Linsey Dawn McKenzie

SHE'S BRITAIN'S ONLY TOPLESS COLUMNIST



I WANT to send my heartfelt condolences to a very good friend of mine, Preeti Young, who is going through a tough time at the moment after her gorgeous French Bulldog Blake had to be put to sleep.

He was such a lovely little dog and everyone in the glamour industry absolutely loved seeing him on shoots. Preeti was an amazing mum to him too and he was such a happy dog while alive.

I know from experience how hard it can be when you lose a pet, especially a dog, so I just wanted to let her know that I am thinking of her.

Jamie's a Big winner!

OH my God! How good is this series of *Celebrity Big Brother*!

I am absolutely loving the group of people they have picked – the casting directors seem to have pulled their finger out after the last one, and actually put some thought into who goes in.

Gentleman

I know it's only been a week but I think I already know who the winner is going to be – Jamie O'Hara (*right*).

He has only ever been known as Danielle Lloyd's ex but he is coming across so well in the house and everyone is getting to see what a nice guy he is.

He is a real gentleman and doesn't seem the type to get into any drama either, so I don't see him being put up for eviction by his fellow housemates.

All that rubbish in the press this week about him kissing Nicola McLean behind her husband's back made me laugh though.

They both said they knew each other outside the house and the 'kiss' that set everyone's tongues wagging was no more than a friendly peck on the cheek!

People are just trying to stir up trouble, as usual – but I don't think Jamie has got anything to worry about!

NO-ONE deserves success more than Scarlett Moffatt, so I was so pleased for her when I heard that she had been given not one, but two presenting jobs with Channel 4.

She is going to be the face of the rebooted version of *Streetmate*, which launched Davina McCall's career in the 90's and I think she will do a great job.

Scarlett proved how likeable she is by winning in the jungle and I think people will watch her TV shows just because she's on it.

I couldn't believe the transformation she has gone through though when I saw an advert for her new fitness DVD.

I mean, I know she gets paid to sit on the couch and watch TV but I never realised she'd let herself go that much.

She is living proof anyone can turn their life around and transform their bodies and I have the utmost respect for her! Well done Scarlett!

I worry Trump can't take stick

I ACTUALLY fear for the people of America when Donald Trump is sworn into the White House later this month.

He seems like such a loose cannon, and he just lets his mouth run away from him.

Slur

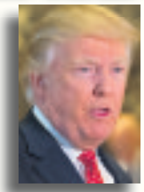
His latest slur was aimed at Hollywood actress Meryl Streep who spoke about him in her Golden Globes Lifetime Award acceptance speech.

But Trump has got such an ego that he can't just ignore criticism, he has to retaliate with all guns blazing.

This man is going to be the head of one of the biggest powers in the world, yet he can't handle a little bit of stick?!

What is he going to do if negotiations go badly or another world leader calls him out on his actions.

I would hope that when he does enter the White House that there is a team of people to keep him in line – starting by taking his social media accounts away from him and controlling what he says publically much more closely.



NOW the festive season is over and done with, I am focusing on my resolution to work as hard as I can. So I'll be back on your telly on Studio 66 TV tomorrow night at the usual time of 10pm on Sky channel 912, and after midnight on Freeview channel 185. Tune in and get up close and personal with LDM!

I WASN'T W*NKING ...I WAS ROLLING A FAG

CONVICTED: Graham Seedburgh

A MAN accused of exposing himself while sitting in his car was allowed to roll a cigarette in court – to demonstrate what he was doing at the time.

By COLIN HURST
news@sundaysport.co.uk

Graham Seedburgh, 27, claimed he had been seated behind the wheel of his car rolling a fag and using the crotch area of his trousers as a 'table'.

But the jury at St Albans Crown Court rejected his account and convicted him of two offences of exposing himself to women.

Masturbating

During his trial, the prosecution had claimed in April 2014 Seedbugh had called lone women over to his vehicle on two separate occasions while he was parked in Bushey, Herts, on the pretext of asking for directions.

When they got up to his car, they were shocked to see he had his penis out of his trousers and that he was clearly masturbating.

One female victim said: "His private parts were uncovered and I could see that he was pleasuring himself.

"I said 'Oh my God' and pulled out of the car window and walked away."

The first offence took place on April 18, 2014, at around 4.20pm.

Another offence took place on April 29 just after 1.30pm.

In both cases, the women told police the culprit had a ponytail and was behind the wheel of a dark car.

Following the last incident, the female victim managed to take down part of the number plate of the car.

This lead to the arrest of Seedbugh who was living at the time with his parents in Bushey and driving a dark blue Rover 25.

During his trial last month he had denied exposing himself to the two women.

Passing sentence Judge Stephen Warner told Seedburgh: "On both occasions, what you did was done with the intention of causing alarm and distress to the ladies. I am sure you did this for your own sexual gratification."

Seedburgh was given a two-year community order with supervision and must attend a sex offender treatment programme.

He must also sign the Sex Offenders Register for the next five years.

Keith's ideal night to end with a bang!

COMEDIAN Keith Lemon said his perfect date would end with them "f**king like rabbits".

The 43-year-old funnyman (*above*) was describing his ideal romantic evening – and it would definitely end with a bang.

When asked what his perfect night would be, Keith (real name Leigh Francis) said it would involve a meal out before cosying up on the couch and having rampant sex.

He said: "I'd love to go to a Vietnamese restaurant called The House of Ho in London.

"Then we'd go home and watch *X Factor* on catch-up. Then we'd f**like rabbits."

Despite his boasts, Leigh lives a very different life compared to his outrageous alter-ego, Keith Lemon, and married his wife, Jill Salmon in 2002.

They also have two daughters called Matilda and Dolly, making his cosy family life a far cry from his on-screen persona.

He will be back on the screens as Keith on Saturday night when ITV's *Through The Keyhole* returns.

Hooker fan suffers hand-chop horror

A PAYING customer had his hand CHOPPED OFF by sword-wielding PIMPS at a backstreet brothel.

The unnamed victim was found wandering the streets with his hand 'hanging off' after two men broke into the vice den and attacked him with a sword.

The man, a Romanian national, is thought to have suffered the injury after raising his arms in self-defence.

His attackers, also said to be Romanian, broke into the rental property in Newbridge, Co Kildare.

The victim was rushed to hospital where he underwent surgery to have his hand reattached.

No-one has yet been arrested for the crime and the property is no longer being used as a brothel, with the owner saying they had no idea it was being used by prostitutes.

MASSEUR GRANDAD JAILED FOR GROPING 6 WOMEN

By COL,IN HURST news@sundaysport.co.uk

A 68-YEAR-OLD masseur who groped six of his women clients sexually has been jailed for 15 months.

Grandad Malcolm Baker trained as a Swedish massage therapist after retiring as an accountant and began practising from his home two years ago, a court was told.

But soon after going into business he ignored the training he had received to keep his hands away from the sexual and abdominal areas of women and started doing whole body massages, the court heard.

Baker denied allegations by nine women clients that he had touched then sexually while they were naked or near naked on his massage table in his home in Cheltenham, Glos.

But at Gloucester Crown Court a jury convicted him of six of the charges of sexual assault but cleared him of three others,

Jailing him Judge Jamie Tabor QC said he had no doubt that one of the reasons Baker had undergone training to be a masseur was "to gain a degree of sexual gratification".

TOUCHED: Groper Baker

He said: "You massaged six women inappropriately.

GenItalia

"One woman was completely naked when you touched her genitalia and massaged her breasts vigorously.

"You massaged another victim to the extent that she began to feel sexually aroused despite not wishing to be so aroused."

The judge said there aggravating features of Baker's offences were the prolonged period over which they took place and the breach of trust the women had placed in him.

"I can think of no other occasions when a woman places herself naked or near naked in front of a non-medically qualified man who is a complete stranger to her," he said.

"In short, you were trusted to behave yourself and you didn't do so."

Handing Baker the jail sentence, the judge also ordered him to pay compensation of £500 each to the six women victims. He also ordered him to pay £500 costs.

Baker was ordered to sign the sex offender register for 10 years and was placed under as sexual harm prevention order, also for 10 years.

The judge said he should never offer massages to anyone again.

Andrew Wilkins, defending, had urged the judge not to pass a prison term, suggesting that his groping was "borderline" and at the lower end of the scale of offending.

Mr Wilkins said Baker had never suggested the women were lying, only that they could be mistaken.

After the conviction of Baker, who has a 12-year-old granddaughter, the court heard that other allegations have also been made against him – one recently.

A woman made an allegation that, while he was on bail awaiting trial, Baker had touched her bottom when she was shopping in a supermarket.

Paris is the best place to go for an orgy!

By JESS GALLEY
jess@sundaysport.co.uk

IF you're gagging to have an ORGY, there's no better place to go than the French capital.

Paris has long been nicknamed the City of Love, but it seems it is also the top city for kinky group sex sessions too.

According to new research, more than a quarter of Parisians confessed they had romped with more than one person at the same time.

The survey was carried out by French webcam site CAM4 and also revealed that, compared to their fellow Frenchmen, those living in the capital city also boasted the most shagging partners.

Almost half of blokes (44 per cent) claimed to have bonked someone without even knowing their name, while 11 per cent of women said they had got jiggy with a stranger.

The study, entitled *Paris, City of Light, City of Debauchery*, quizzed 2,000 Parisians about their saucy pastimes.

Saucy

Spokesman François Kraus said: "Paris is a space where sexuality is less controlled and where transgressing taboos is much less sanctioned."

The poll also revealed a whopping 35 per cent of men in Paris, and one in 10 women, admitted to having sex with three or more people at one time.

While more than 40 per cent of men said they had tried a ménage a trois, and just under a fifth of women said the same.

We asked *Sport* stunna Emma Garcia, from Enfield, what she thought of the saucy figures, and whether she has ever visited the romantic city.

The 23-year-old said: "Yes, and I absolutely love Paris! I've been there more than once and, speaking from experience, I'm not at all surprised by the results.

"I went to one of their famous sex clubs with a girlfriend of mine and I couldn't believe how many bodies I saw just writhing all over each other.

"On that occasion, I just watched, but it was such a massive turn-on!

"On the same trip I shagged a French guy I met at a nightclub – they all have such a laid back attitude to one-night stands.

"In England, people can be a bit snobby about doing the 'walk of shame' or thinking badly of people who sleep around, but in Paris they think it's great!"

‘I’d like to do it on the Tube – it would be fun!’

MY SEX FANTASY ...WITH KITTY LEA

SEXY Kitty Lea describes herself as a “pussycat” in bed – and says she just needs the right fella to unleash the TIGER in her.

The 32DD babe stripped off for the *Sport* and exclusively revealed her sauciest sex fantasies.

One of Britain’s hottest glamour models, Kitty has a thing for kinky PORN, GIRL-ON-GIRL action and dreams of having PUBLIC SEX.

By JESS GALLEY jess@sundaysport.co.uk

The 25-year-old, who comes from Lincolnshire, even lusts after a wild threesome on public transport.

She purred: “I’ve always kissed women and it’s not something that bothers me.

“I don’t think things like, ‘Oh I can’t touch a girl because she’s the same sex as me’, that’s just stupid.

Boobies

“I like to see a beautiful woman. I love looking at girls’ boobies, it’s one of my new hobbies! And I like to see what girls are out there, what they’ve got to offer.

“I once had a threesome with my best friend and a celebrity. We went out to a party got absolutely hammered and met loads of famous people.

“Then we met the guy in question, and one thing led to another.

“I’d like to do something like that on the Tube – it would be fun – if the train was empty.”

When asked how she’d describe herself in the sack, Kitty said: “I’m a pussycat! I’m not scary enough to be a tiger, but I’d like to be.

“However, I do enjoy kinky stuff, such as being handcuffed to the bed!”

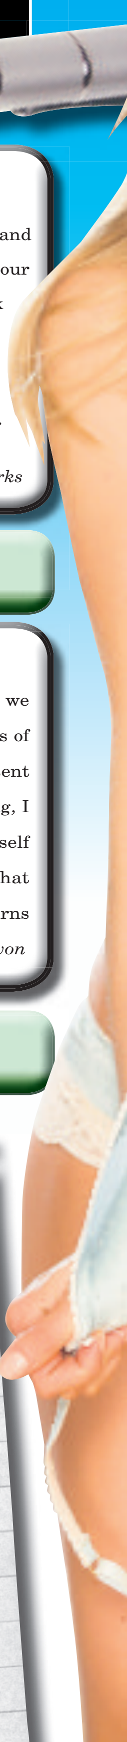
THE WORLD FAMOUS AGONY Page



Dear Sam,

I'M in an unusual situation because I'm bonking a gorgeous girl – and her MUM!

The daughter is 19 and is red-hot in the sack. We shagged on our second date and she blew my mind... and my cock.

We'd been to a pub and then for an Indian and when we got back to her place she slurped on my knob like an ice lolly.

A couple of weeks later I went to pick her up for a trip to the cinema, but her mum answered the door and told me my girl was laid up with flu.

She asked me in and minutes later she was all over me on the couch, rubbing my nine-incher to hardness through my jeans.

We soon got naked and I f**ked her in every hole, including her tight arse. I've been doing the pair of them since

What do you think of that?

PL, West Yorks

Sam says...

GREAT... until they find out.

Dear Sam,

MY boyfriend was away over Christmas and the New Year and we indulged in some red-hot phone sex during that time.

Now he's back and I want to carry it on because I found it loads of fun and it made me feel desired.

Plus I got to use the new vibro I bought myself as a "private" present and brought myself off to some screaming orgasms.

On a couple of occasions when he sent videos of himself wanking, I thought I'd bring the house down with the noise.

Other times I'd end up exhausted from ages of finger-f**king myself as he told me what he wanted to do with his huge cock.

But my fella says we don't need phone sex now he's back and that the bill is far too high anyway.

I'm gutted because I really want to carry on doing it because it turns me on so much. What should I do?

DP, Devon

Sam says...

WHY not share the bill – variety is the spice of life!

Tutor taught me great lesson in the bedroom

Dear Sam,

I'M a 19-year-old student and I have fallen in love with one of my female tutors. She's 32, with a fabulous figure.

A couple of weeks ago I had a problem with a project and stayed behind after class to discuss it with her.

She sorted it out for me. Then, completely out of the blue, she asked if I fancied spending the weekend with her at her holiday cottage in the Peak District.

I was amazed by her invitation because she's married, but she told me her husband works abroad for most of the year.

She picked me up in her little sports car and as soon as we got there she dragged me into the bedroom, where she stripped off to reveal her fantastic body.

She soon had my cock in her mouth and sucked me off until I orgasmed all over her tits.

Then I licked out her wet, bald fanny.

We stayed in bed for almost the whole weekend.

But when I got back and told a pal, he revealed he'd been to the cottage with her too!

Then I found out that she's shagged four other students. I feel like I've been used.

She's asked me to go on another dirty weekend. Should I go?

PL, Merseyside

Sam says...

WHy not? Enjoy it while you can.

Girlfriend was watching on Skype as I bonked pal's ex

Dear Sam,

I'M a 20-year-old guy from Scotland and I have a gorgeous girlfriend who is 19 and lives in England.

We hardly ever see each other, which is a real bitch, so earlier this year we started using Skype calls on our home computers so we could at least see each other whenever we wanted.

This turned out to be a brilliant idea – because whenever she got pissed she'd spread her thighs and flick her bean, which would give me a massive stiffy.

One night when I was online speaking to her my doorbell rang, so I told her I had to go.

It was my best mate's ex, who he had just dumped the week before. She came in and put her arms round my neck and began to snog my face off.

Swallowed

I was stunned for a moment, but I'd always thought this girl was a cracker so I kissed her back.

We backed into my flat, taking off each other's clothes, and she unbuckled my belt as I fondled her firm tits.

Then she dropped to her knees and began to suck me off. After a few minutes I couldn't stop myself from climaxing and she swallowed the lot.

But I was just getting started, so I pushed her back on my couch and knelt between her legs.

Then I pulled her knickers off and began to lick her out. As I ran my tongue over her clit she moaned.

After a couple of minutes she pulled my face deeper into her as she began to orgasm too. I turned her over so she was bent over my couch and guided my hard cock into her sopping-wet fanny.

After a little while I switched holes and started to shag her up the arse.

But because it was so tight I could only manage a couple of thrusts before I shot my load all over her bum-cheeks.

I lay on top of her with my soft cock back up her love-hole for a bit and then she pulled away from me, cleaned herself up and started to get dressed.

As she got ready to leave she told me that she'd only done it to get back at my mate and that I meant nothing to her.

The trouble was I forgot to switch off my webcam and my girlfriend saw the whole thing and dumped me.

How can I win her back?

KC, via e-mail

Sam says…

ER… no chance.

AGONY QUICKIES

Dear Sam,

MY new girlfriend is perfect in almost every way.

She gives great head, but she has got a gap in her front teeth and I am terrified she's going to get my foreskin trapped in it.

I've been looking at cosmetic dentistry, but it costs a fortune. Is there a cheaper way?

GV, Bristol

Sam says…

TELL her to be careful when she's gobbling you – or find a girl with perfect teeth.

Dear Sam,

I STARTED night classes to make friends because I'm a bit of a sad loser and don't have any.

But I never thought for a minute that I'd end up getting a girlfriend.

She's sex mad, gives amazing blowjobs and takes it up the arse.

Even though she's fat, she's pretty and I'm made up that I'm getting my end away.

DA, Bucks

Sam says…

IT'S all about finding the right person for you.

CLARE RICHARDS

ELECTRICIAN Paul Kendrew would love to let sparks fly between him and curvy glamour girl Clare Richards.

The 29-year-old from Bury, Gtr Manchester, reckons that Wembley stunna Clare, 23, would get him all fired up.

He said: "Clare is my dream woman – she looks f**king great, her boobs are perfect and I'd really love to meet her.

"I'd love a full length picture of her printed in the paper – it'll keep me going through the long winter shifts we've got to do!"

Here you go, Paul!

CALI GARCIA

CAFE owner Barry Porter had morning glory when gorgeous Cali Garcia popped in for her breakfast.

Barry, 42, owns an eaterie in Brentford, south west London, and was gobsmacked when 25-year-old Cali, from nearby Ealing, walked in!

He said: "One morning the door opened and Cali walked in looking amazing – she's unbelievably beautiful in real life, too.

"Once she'd eaten her bacon bap she signed a couple of photos for me but her boobs look even more incredible in the flesh – I'd love to see another topless picture of her."

CHARLIE ATWELL

WELSH tree surgeon Kyle Naughton can't get enough of Charlie Atwell's palm-stretching 34E boobs.

The 37-year-old from Wrexham, North Wales, wrote in to request a picture of Charlie, 28, from Romford, showing off her boobs because he hasn't seen them in the paper for a while.

He said: "She has such a great pair. Have you seen the size of them?! I'd do anything to have a squeeze of her norks.

"If she was in the paper every week I'd be so happy, as seeing her bangers lights up my day."

Wolves girls are the randiest!

RANDY shaggers from Wolverhampton have the most sex partners, a new survey says.

The West Midlands city has been branded the UK's most promiscuous after residents claim they've had an average of 50 different lovers in their lives.

The National Health Centre reckons the average male bonks 11 different women in his life while the average woman romps with seven different people, making Wolverhampton women the UK's horniest.

Upmarket Hertfordshire town St. Albans came in second place with residents claiming to have banged 46 people.

And the saucy Scots landed third place, with the city of Dundee's locals claiming 38 different shags was the norm.

Falling behind on the sex scale were the citizens of Cardiff where folk have had just three bed partners.

Wild

Despite being famous for its wild club scene and streets of bars, the Welsh capital was labelled least promiscuous city in the latest survey.

Relationship expert and sexologist Mike Lousada said: "I think people in big cities have more pressure to be busy in their work and social lives.

"Life is hectic, there's pressure to perform and we tend to move in specific circles of friends and acquaintances.

"In small towns it's more laid back and there is a greater freedom – you are more likely to mingle with different types of people.

By BECCA STUBBS
becca@sundaysport.co.uk

"So you have a great diversity of contact and are more likely to be more sexually adventurous."

Liverpool was fairly low on the list with Scousers declaring they had only four partners.

Newcastle, home to MTV's rowdy, sex-fuelled reality TV show *Geordie Shore*, was also a lot less horny than most people presume, with just five romps to boast about.

The researchers asked 3,000 adults about their bedroom activity and data gathered also suggested the number of sexual relationships men and women would like their new partner to have on their bedpost was seven.

We asked three *Sport* stunnas what they thought of the recent results…

Joanna Greenhill says…

> **I ONCE had sex with a really fit bloke from Wolverhampton and he was the best shag I've ever had – I was climaxing over and over again. Now I know he was probably very well experienced!**

Gia Lashey says…

> **I CAN'T believe Newcastle and Liverpool are so far down the list! The men there are seriously horny – I've had a threesome in both cities and I could have had even more men. They're all gagging for it!**

SPEARMINT RHINO BABE OF THE WEEK

Nicole SNOW

LOOK out fellas, Nicole Snow isn't just a pretty face – she's a trained FIGHTER, too!

By JESS GALLEY
jess@sundaysport.co.uk

The 22-year-old has been boxing since she was just seven years old and explained that the sport is the perfect excuse to show off her arse in a pair of sexy hot pants.

Nicole told the *Midweek Sport* she is currently single and on the hunt for a hunky fella who can make her laugh, and knows how to have a good time.

Cheeky

The Leeds lass stripped off and bared her jaw-dropping 32DDs for this steamy shoot, in honour of being named our Spearmint Rhino Girl of the Week.

She said: "I love a man who is a bit cheeky and has a really good sense of humour – I'm after someone who can make me laugh and doesn't take life too seriously.

"But I don't like bragging and rudeness – that type of attitude is a huge turn-off for me.

"My perfect date would be on a nice warm beach – I'm a total beach babe so any chance for me to get into my bikini, soak up the sun and enjoy a few cocktails is right up my street."

Spearmint Rhino has a number of gentleman's clubs around the world which boast the most beautiful dancers.

But if you can't make it to a club, you can find Spearmint Rhino girls at boxing and Mixed Martial Arts (MMA) fights around the country, or at the British Superbike Rounds.

SWING NIGHT
R18

We've got a royal double bill for you this month...sort of..

Damsels in Distress claims to be based on the young life of writer and producer Count Gregor and it only half of it's true he's been a lucky sod. This tale of debauchery and servitude centres round a wicked Madame and her harem of gorgeous nymphets. The sex is, as you'd expect, ass-stretchingly kinky and well shot. A massive and uninhibited cast make this a classic in the world of adult movies.

Night Swing centres on lecherous Lord Devonport entertaining a bevvy of society hotties in his Mayfair penthouse...and you know where posh birds like it!

We're not convinced either the Count of the Lord are genuine royalty but we know both movies guarantee right royal stiffies!

MY FIRM FAVOURITES

SOUTHAMPTON v LIVERPOOL

LIVERPOOL went with their youngest ever starting XI on Sunday in the FA CUP home tie against Plymouth and were left frustrated.

Klopp opted for the young guns and his side had an average age of just 21 years and 296 days, now they must travel to Devon for the replay.

It is not all doom and gloom though, Liverpool look to have some exciting youngsters waiting in the wings and Sunday's game will have given them vital experience.

There is no doubt in my mind Sunday's decisions were taken with one eye on tonight's EFL Cup semi-final.

Yes, the league is the big one, but players and managers are remembered for winning trophies and now they are within touching distance of this cup, I fully expect Liverpool to be well and truly fired up.

The big news is Coutinho is back in the reckoning after spending six weeks on the sidelines and the good news for fans does not stop there, Milner is also available. Klopp looks to have plenty of options once more.

This is bad news for Claude Puel and all Saints fans who for me must have a first leg lead to stand any chance of seeing off Liverpool. Do you see that happening?

I most certainly don't. They are in dismal form, having lost three and drawn just once in their last four.

That draw came against lowly Norwich and I've a feeling Southampton are a club who are in trouble. They may sit 10th in the league, but if they keep playing like they are doing, they could easily get sucked in to a relegation battle.

Their problems deepened on Monday when Jose Fonte handed in a transfer request. He was left out of the FA Cup tie against Norwich and was badly missed. I will be surprised if he plays any part in this match also. No disrespect to the Norwich forwards, but if the likes of Naismith and company are causing you problems, god help you when you play Liverpool.

This could be one of them moments that comes back to haunt me, but I'm not just tipping Liverpool to record an impressive first leg win, I fancy them to hammer Southampton.

We have plenty of options; I like the look of Liverpool to score three goals at a whopping 9/2, Firmino to score and Liverpool to win at 4/1 and the safest of them all Liverpool to win at 11/8.

READING v QPR

IT would be harsh to judge Reading on the FA Cup hammering they received against Man Utd, so I am advising we don't.

Previous to that drubbing at Old Trafford, they had won three on the bounce and have catapulted up the league to third.

STRUGGLE: Ian Holloway

I have been impressed with Jaap Stam since he took over the reigns and I see no reason why another three points will not be in the bank by the final whistle tomorrow.

QPR are down in 17th and are having a mixed season.

They are definitely blowing hot and cold and look to be one of the most inconsistent teams in the Championship.

I watched them against Blackburn in the cup and they struggled to even do the simple things right.

Reading are a better team than Blackburn and if they make mistakes here they will surely be punished. Ian Holloway still needs to convince me he is a top manager.

On occasions his tactics leave a lot to be desired and I'm hoping he makes another clanger or two here.

Get on Reading at 5/6 to do the business or if you want something bigger looks at McCleary to score and Reading to win at 5/2.

NO PAIN IN SPAIN

IF you want to bring some sunshine in to your midweek look at having a treble on the Copa Del Rey out in Spain.

I like the look of Villarreal 19/20 tonight, Real Madrid 6/5 and Celta Vigo 11/10 both tomorrow.

For a £10 treble it pays a cracking £90.09p.

If you prefer to dine out on an Italian, then have no fear.

It is the Coppa Italia also midweek and I fancy Fiorentina 11/8, Juventus 4/9 both tonight and AC Milan 15/13 tomorrow.

That gives us potential returns for a £10 treble of £73.89p

Perhaps you are feeling lucky, a six team accumulator pays out a whopping £665.66p for a £10.

If we can land this it really will bring some sunshine to our midweek punting.

TRAGIC: Knight

Best Mate trainer Hen dismayed at 'tragic news'

SOME of jump racing's biggest names have united in anger at the news of Kempton's imminent demise.

Best Mate is a horse that will forever be associated with the track having won the King George in 2002.

His trainer Henrietta Knight said: "I think it's absolutely tragic.

"I know they don't get the crowds there for the racing on the all-weather, but Kempton is a huge part of National Hunt racing, especially at Christmas.

"They've had the King George at Sandown before and it's not the same.

"Kempton is so popular as a jumps track and if this happens it will be very sad.

"This is the way the world is going, unfortunately."

There is a statue of the great Kauto Star at the track and his owner Clive Smith is another to voice his disappointment at the news.

He said: "It is quite a shock and it seems a great shame.

Moved

"There's a statue of Kauto Star there in the middle of the parade ring so I'm not sure what will happen to that. It might get moved to Sandown, I suppose.

"I never thought something like this would happen, but you just never know.

"I know housing is a big thing at the moment, as is green space and rising birth rates, and things like that.

"There is so much to consider."

Trainer Gary Moore is another trainer in shock at the news.

He said: "It's just a great shame.

"It is very disappointing for people like me, even on the all-weather, but especially for the jumping track.

"It was one place where you always got decent ground all year round jumping.

"The King George is the King George — it's a speed race on a speed track — and now they're putting on a track with more stamina.

"I am very disappointed. I think it is a sad day for racing when a great track like that has to shut down."

RACING STUNNED AS HOME OF KIN

Shock as Kempton faces the bulldozers

ICONIC TRACK FLATTENED FOR HOUSING — BY JOCKEY CLUB!

RACING fans are in shock at plans to turn Kempton Park—home of Boxing Day's King George Chase — into a housing estate.

And in another surprise, it's not some shady property owners who are looking to do the deal — it's the Jockey Club itself!

The course bosses have published plans to "develop" the site which is on the edge of London so worth an absolute fortune.

They are looking for no less than £100million from any potential developer — and the estimates of its value,

By JOHN ANTHONY

given the excellent train links to the nearby capital — go much higher than that.

The Jockey Club says the money generated from selling off Kempton would be used to improve other tracks, with plans to put an all-weather course in at Newmarket.

The Jockey Club believes that it's a "once-in-a-generation opportunity to promote the site for new homes and local benefits, while preserving green space between the local borough and London".

From 2021, the King George would move six miles down the road to Sandown Park in Surrey, with other fixtures being spread around the country — with Newmarket taking the Flat ones.

A Jockey Club spokesman added: "We will look to boost jump racing from its grassroots to the top-end in consultation with horsemen and the wider industry.

Ideal

"This would include Kempton Park's programme being transferred to our jumps courses around the country and through investments at each track over the next decade — in all four of our regions, in the North, South West, East as well as London.

"A new purpose-built all-weather course on The Links in Newmarket to replace that at Kempton Park would be ideal for the thousands of horses trained at the home of racing and beyond, as well as shortening the working day for people there.

"I am also particularly pleased that the Jockey Club will be even better placed in the coming years to provide further support to important causes, such as racing's welfare and education programmes."

The move comes on the same day that Chelmsford City — on the other side of London — announced plans to build a turf track.

The Essex course is currently an all-weather layout and the grass surface will go on the inside of the existing surface.

The tracks owners want to make it Britain's first "Racino" — a combined racecourse and casino that has saved many tracks in America.

It would mean trading 365 days a year and would become the first track to offer floodlight turf racing in Europe.

Racecourse chairman Joe Scanlon said: "Here at Chelmsford we will be the first to offer a fully integrated racecourse 'resort' or leisure destination with entertainment."

Maria back on court

TENNIS "fans" are rejoicing at the return of Maria Sharapova to competitive action. The Russian has been on the sidelines after copping a drugs ban — but will play again in April's Porsche Open in Germany.

Sharapova said: "I could not be happier to have my first match back on tour at one of my favourite tournaments. I can't wait to see all my great fans and to be back doing what I love."

EFL CUP: SOUTHAMPTON v LIVERPOOL – 7.45 WED ON SKY SPORTS 1

I'LL HAVE TO LEIVA

I can't sit on Kop bench at my age admits Lucas

LUCAS Leiva hopes to play some part for Liverpool against Southampton tonight — but admits that his days as a fringe player are over.

The Brazilian has just turned 30 and has had enough of being in and out of Jurgen Klopp's team — mainly out. The League Cup has given him a chance to get on the pitch, even as a central defender rather than his familiar position in midfield.

But he isn't happy with being left on the sidelines in the Premier League — and knows his near 10-year stay at Anfield is coming to an end.

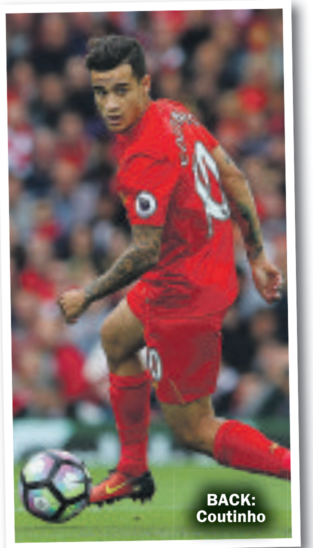
By JOHN ANTHONY

Klopp has allowed Lucas to look for another club and would not stand in his way should a January bid come in.

Yet with the Reds going for the title, he could be persuaded to stay until the summer at least.

Lucas said: "The situation is not great. It is not something I want for my future, to have not many games.

"I don't want this for my career, especially at my age. I'm not close to retiring and have many years ahead of me. You want to play — we get paid to play — but I just try to be professional and help as much as I can and when I have the chance do my best.



BACK: Coutinho

"At this moment I have to deal with this and try to find a solution when I have the chance.

"I have to be professional, think about the team and see what is going to happen.

"The best place for me to be now is Liverpool.

"I cannot say where in one week's time, one month's time or four months' time.

"I have to judge when something comes up if it is better.

Close

"It has been a special season already and we have a chance to win trophies and that is something I consider as well."

Lucas hopes to keep his place against the Saints having been a key part of Liverpool's run to the EFL Cup semis.

He added: "Everyone is ready to play. Especially for me, hopefully I can play as I played all the rounds until now," he added.

"It is a competition we want to do well in as we came very close last year.

"Hopefully we can have two good games in the semi-final against a very difficult team and get to the final."

Liverpool have also been boosted by the return of Phillipe Coutinho and he could figure against the Saints.

The bench is his likely starting spot with another big game against Manchester United coming up at the weekend.

PUEL POINTS TO LEAGUE DRAW

SAINTS boss Claude Puel is adamant his team have got what it takes to beat Liverpool in their EFL Cup semi.

It was 0-0 when the teams met in the Premier League at Anfield in November — a rare home blank for Jurgen Klopp's men (apart from Plymouth!).

Puel is looking for more of the same — after taking a lead north from the first leg at St Mary's.

He said: "We played Liverpool in the Premier League and it was a strong game for us with organisation.

"We played strong and were strong in defence.

By ANDY MILLOM

"We played at a good level but it will be important for this game to have more of the ball and try and have control of the game.

"Their ability to control the ball along with good pressing, with technical players, is exciting. We want to exploit them.

"The players are ready for the game. It is an exciting challenge for us.

"The Premier League game was strong, there are many games in January, different possibilities.

"This game is important and I think my players are ready for the game."

Things have turned a little sour for Southampton in the Premier League lately with three defeats on the bounce.

Two of them — 4-1 against Spurs and 3-0 at Everton — saw the Saints' usually reliable defence parted very easily and Liverpool will be a big test.

Puel hopes returning to the cup can drive his team out of their mini-slump.

He added: "The semi-final is important. It is an excellent challenge and we want to try and make the best of the opportunities.

"The competition is important. This competition is an opportunity for us to win something, we have more chance of winning this than the Premier League.

"We need some good work and we want to keep our good possibilities.

"The second leg away at Liverpool is difficult, it is always difficult.

"It is not possible now to think about the final. We want to go out there and compete our best.

"I think that it is good because all the squad can be involved in the competition and we want to get a strong result for our fans and us."

NEW EAGLE: Lee

Big Sam reunites with old mate Lee

SAM Allardyce has brought his trusted No2 Sammy Lee into his coaching team at Crystal Palace.

The pair have worked together since their days at Bolton.

Lee was Big Sam's No2 at England but was shown the door by new Three Lions gaffer Gareth Southgate.

The 57-year-old was manager of Wanderers for a short period and was part of Liverpool's coaching team for more than 10 years.

Allardyce will be hoping Lee's experience can help pull the Eagles away from the bottom three after a slow start to his reign at Selhurst Park.

Big Sam said: "I am looking forward to once again working with Sammy.

"It was great working with him at Bolton and he is someone who has a wealth of experience both at club and international level over the years as well."

Lee says he can't wait to team up with Big Sam again.

Talent

The Scouser said: "I didn't need to take any time to think about it. As soon as he asked, no problem.

"Palace have an abundance of talent and obviously this season has been a little bit different for them.

"A bit difficult but there's plenty of talent, there's plenty of quality. We just need to get them up and going again.

"I'm fairly hands on. I like to interact with the players, and hopefully bring the best out of them because I know for a fact that they'll bring the best out of me."

Despite all that "talent" at the club, Allardyce is trying to bring in a couple of new faces during the January transfer window.

He is one of a number of managers interested in Norwich wide man Robbie Brady.

And a £9million move for Leicester midfielder Jeffrey Schlupp is not dead yet — but more money may have to go on the table.

The Foxes have rejected Palace's first offer and are looking for closer to the £12m West Brom offered for the Ghanian in the summer.

WANTS OFF: Jose Fonte

NO WAY JOSE

Fonte or no Fonte Reds are too hot

ONE interesting stat from Liverpool's goalless draw with Plymouth in the FA Cup on Sunday — the Reds young midfielder Kevin Stewart made the same amount of successful passes (53) in the first half as the whole Argyle side!

Southampton are likely to show a bit more adventure at St Mary's this evening in the League Cup semi-final.

Jurgen Klopp welcomes back Brazilian playmaker Phillippe Coutinho to his squad although I doubt he will get a start against given Liverpool travel to Old Trafford on Sunday for a mouth-watering PL clash.

Jose Fonte is not in the Southampton squad and is now 5/4 to be playing for Crystal Palace with BetVictor at the end of the January window with Man United 5/2, Benfica 10s and any Chinese club 12s.

Liverpool are 23/20 to take a lead back to Anfield with the Saints and the draw both priced at 5/2. I think odds against is a very fair price for the Reds.

In the absence of Sadio Mane I would expect Daniel Sturridge to return to the starting XI and the England international is 13/10 to score at anytime, which looks the value.

We have an enhanced European accumulator for this evening and bet 3/1 that Liverpool, Barcelona (H Athletic Bilbao), Juventus (H Atalanta), Bordeaux (H Guingamp) and PSG (H Metz) all win their ties.

The 4th Round FA Cup draw was again very kind to the Big Six and it is now champions Leicester City (25/1) who are the "best of the rest" after their excellent win at Goodison. Chelsea are 4/1 favourites and remain 7/1 for PL & FA Cup double.

★ Rory McIlroy begins his golfing year in the South Africa Open on Thursday and at first glance looks short in the betting at 2/1 with BetVictor but it is worth remembering, that the Northern Irishman has finished in the top five in his first start of the year seven times in the last eight years.

The former world number 1 is reported to have worked hard in Dubai honing his swing for 10 days in the off-season, but has new equipment in his bag and I will look for an each way alternative.

Christiaan Bezuidenhout finished runner up to Brandon Stone in this corresponding event last year and at 50/1 with BetVictor the 22-year-old is taken to go one better around a course that clearly suits.

There is a star-studded field Stateside with Jordan Spieth (7/1), Hideki Matsuyama (8s) and Jordan Thomas (14/1) teeing it up again having finished 3rd, 2nd and 1st respectively in the Tournament of Champions last week.

The US PGA winner Jimmy Walker is a two-time winner of this event, however, and has been threatening to go very low of late; he gets the each way vote at 20/1 (1/4 odds five places) with BetVictor.

Ian gives his loan Rangers six months

Reading v Queens Park Rangers

Thursday, 8pm kick-off, live on Sky Sports 1

RANGERS boss Ian Holloway has told recalled pair Darnell Furlong and Michael Doughty that they have a future at Loftus Road.

The Hoops boss has just brought them back early from Swindown Town with the promise of first-team action in the Championship.

They are both in line to figure against Reading as Rangers try to make it three league wins on the bounce.

Furlong, 21, plays in the back four while 24-year-old Doughty is a midfielder.

Holloway said: "They will be getting a game – they've got six months to prove themselves to me.

"I personally like the pair of them. They'll be in and around my squad and they'll have a chance to play.

"They won't be going anywhere else out on loan.

FULL-BACK: Furlong

Competition

"Doughty has played 140 games anyway, so why has he gone out on loan?

"If you don't want him, get rid of him. If not, bring him back and play him.

"We'll see. Can they step forward? Can they step up to the plate?"

For Reading, defender Liam Moore says he welcomes the competition from new signing Tiago Ilori.

The Portuguese centre-back is about to sign from Liverpool where he has struggled to establish himself. A deal should be done for the ex-Sporting Lisbon man within the next few days.

CHANCE: Holloway

Moore said: "He's a good defender.

"He'll add competition for places and keep people on their toes."

And the big man is looking to get back on the promotion trail after being walloped by Man United in the FA Cup at the weekend.

The former Aston Vill man added: "The club is moving forward. We are trying to progress on where we are in the league.

"We've come back from bad situations and we are always trying to improve.

"We need a lot more good performances this season. We are very tight knit and that helps us.

"But when we lose the ball we need to be harder to break down.

"We've looked at things we can improve on from Man United where we didn't perform at all."

IMPRESSED: Oxlade Chamberlain

Ox inspired by £40,000 buy Bramall

ALEX Oxlade-Chamberlain says new Arsenal signing Cohen Bramall's rise to fame is an inspiration to every player.

The 20-year-old has moved to the Emirates from Hednesford Town in the Evo-Stik Northern Premier League.

His fee was less than most of his new team-mates earn in a week — £40,000.

And the move couldn't have come at a better time — because he was made redundant from his job at a car factory just before Christmas.

Bramall still has a long way to go before he makes the first team and is training with the under-23s at the moment.

The Ox was instantly impressed by the new Gooner when he first saw him in training.

He said: "I was training on the side of the pitch with the fitness coach.

"Then I saw him training, so I asked someone about him and they told me his story.

"Obviously it made me think wow — to be where he was a couple of weeks ago, and then to be training with the Arsenal team, I was thinking he must be in dreamland over there. I paid close attention to him and saw some really good signs of things — you can see why we wanted to sign him.

"I was very encouraged by his story and quite inspired to see someone that's been given that opportunity and he was proving himself.

"It was great, and then I chatted to him after training and he was just a really good lad and a top boy. He was generally just delighted and surprised at the same time, to be in the position that he was.

"He was really humble about it as well, which is always nice to see."

ANOTHER CHELSEA SUPERSTAR

LOVE IN: David Luiz and Antonio Conte

SAYS CONTE IS REASON FOR REVIVAL

CONTE IS MY BEST BOSS YET

Luiz heaps praise on Bridge gaffer

By PAUL THOMAS

DAVID Luiz is the latest Chelsea player to say he LOVES working with Antonio Conte.

Blues players are queuing up to tell the world how good the Italian is.

Diego Costa and Eden Hazard can be chippy types — but they have both told the world how highly they rate the gaffer.

Now Luiz has chipped in to say Conte is the best boss he's worked for — and he's been managed by some of the biggest names in the game.

There was talk that the Brazilian was way down the list of players the new Chelsea manager wanted to bring in this summer.

Genius

But it looks as though he has built his team around Luiz, with him at the centre of the backline in a 3-4-3 system that has taken them clear at the Premier League summit.

The 29-year-old thinks that has been a stroke of genius, with most English teams struggling to know what do against a formation they haven't seen before.

Luiz said: "He's one of the best coaches I've ever worked with.

"He knows the characteristics of each player very well and we follow exactly what he tells us to do on the pitch.

"Conte is a coach who loves what he does and it infects all of us who love football.

"Every training session and every game is a manifestation of how winning and competing is important to him, so for us, the motivation to keep focused is always high."

One man who has come in from the cold in a big way under Conte is Victor Moses.

The Nigerian has always been known as a winger with lots of talent but often little end product.

He spent long periods out on loan at Stoke and Liverpool — before Conte saw what he wanted in a wing-back. Since being put down the right flank, Moses has looked a different player with his energy being a major factor in Chelsea's success this season.

The player admits he was shocked to be put in the position but is really enjoying being part of the first team once more.

Moses said: "I've never dreamed of playing in this position in my life, but I'm enjoying it and I think it's probably one of the best positions to be honest.

The more games I'm playing there, the more I'm improving.

Delighted

"I've never played this formation before but I'm getting used to it and I feel I'm getting better and better with every game.

"I'm delighted with the way we're playing, not just me but the whole team, with the formation the manager has brought.

"He's played the game and he knows how to organise his players.

"Last year was one of the best in my career and I'm delighted with that and it's thanks to the manager who gave me the opportunity to go out there and express myself.

"He gave me that chance, I grabbed it and now I want to keep enjoying my football."

REVELATION: Moses has been a key man

UP FOR IT: Dembele

Dembele fancies a Chinese takeaway

MOUSA Dembele admits that the amazing money being offered to players by Chinese teams is very tempting.

The 29-year-old has been a fixture in the heart of Tottenham's midfield this season, forming a potent partnership with Victor Wanyama.

And he's clearly been interested to hear of the £260,000 a week his Belgian team-mate Axel Witsel is picking up for Tianjin Quanjian.

That's a trifle compared to the cash being trousered every week by Oscar, Hulk and Carlos Tevez.

Dembele is in the same league as Witsel and has been dropping some big hints that he wouldn't mind a Chinese takeaway himself.

He said: "It is a very difficult choice.

"For young players who are still growing, it is not wise to go. For older players maybe it's different.

"But honestly I have no idea about the level of the championship there. It is hard to say."

Tottenham have been in the Chinese crosshairs with Harry Kane and Dele Alli dream targets for the new league.

Pairing

Those two could hope to pick up as much as £800,000 a week if they looked to the Far East.

And Spurs have been getting admiring glances from closer to home too.

Manchester United would dearly love to nick their full-back pairing of Danny Rose and Kyle Walker and are prepared to pay big bucks.

Real Madrid are also interested, while most clubs in Europe — and beyond — have their eye on Kane and Alli.

The latter two have both got at least five years to run on their contracts, which see them earn in the £100,000 a week bracket.

That might explain why Spurs have been so keen in giving those players big pay rises and long-term deals.

More money could be on the table for wages if a move from Manchester or China comes in.

With work continuing on the new 61,000-seat White Hart Lane, the last thing the Londoners need is a fans revolt if their star players were allowed to up sticks.

GOOD NEWS FOR GARETH SOUTHGATE...

12 MORE TEAMS IN WORLD CUP

48 countries at finals and no draws allowed

THE World Cup is expanding to 48 teams — and banning draws from group games.

That's because there will be 16 pools of three teams in the initial stage — so stalemates could make it a nightmare.

So when a draw ends all square, penalties will decide who gets the points.

The move means 12 more teams will make it to the finals from 2026 onwards.

Anyone with half a brain — so that rules out Fifa — knows it will mean an endless round of games where the smaller team plays for spot kicks from the first minute.

The move means a total of 80 matches will now be played during the tournament. The winner will have played seven times — twice in the groups and then in FIVE knockout rounds.

Merits

It is thought that Europe will get an extra three places on top of the 13 it already receives.

Fifa chief Gianni Infantino said: "We are in the 21st century and we have to shape the football World Cup of the 21st century.

"It isn't any more the 20th century. It is the future, football is more than just Europe and South America, football is global.

"One event in the same period, once every four years, which will help develop football, the Council felt this was positive and it will help football development.

By JOHN ANTHONY

The football fever you have in a country that qualifies for the World Cup is the biggest promotional tool for football you can have.

"This football promotion, in many parts of the world where today they have no chance to play at the World Cup, was at the top of our thoughts."

As expected, the big clubs are up in arms at an even longer World Cup.

The European Club Association, which represents 220 teams said: "We are not in favour of an expanded World Cup.

"We fail to see the merits to changing the current format of 32 that has proven to be the perfect formula from all perspectives."

But some people are happy, including the Scottish FA.

"We believe this is a positive step, particularly for the smaller nations, and will allow more fans across the globe to revel in their country's participation at a World Cup finals," said chief executive Stewart Regan.

"The exploits of Wales, Iceland, and Northern Ireland at Euro 2016 showed what an impact the smaller teams can have, and how beneficial to a tournament their participation can be.

"A greater eclectic mix of footballing cultures at the FIFA World Cup will create a bigger and better atmosphere than ever before."
